

Annex I

EU-wide monitoring of manure supporting the development of safe processed manure criteria

Participation Form

To be completed by the organisation holding the legal ownership of the samples (i.e. the Sample Owner) for making information regarding the Samples, including data derived from the analysis of the Samples, and information about Sample Owner, accessible via IPCHEM (the European Commission's Information Platform for Chemical Monitoring)

1. Purpose of this form

By using this form, the Sample Owner communicates the conditions under which he/she agrees to make their data accessible to the Users of the Information Platform for Chemical Monitoring (IPCHEM).

Sample Owners are requested to complete one form each time a sample collection is provided to the JRC.

The data will be made accessible in IPCHEM under the terms set out in the IPCHEM Data Policy¹.

This form is to be completed and signed by the Sample Owner and sent by email to JRC-D02-MONITORING-CAMPAIGNS@ec.europa.eu.

2. General information

Name of the data collection	<i>EU-wide SAFE MANURE</i>
Name of the Sample Owner	<i>(The name of your organisation)</i>
Date of collection	<i>(DD/MM/YY of sample collection)</i>
Contact name	<i>(First name FAMILY NAME)</i>
Telephone	<i>(telephone number)</i>
E-mail	<i>(e-mail address)</i>

The processing of personal data requested in this form is explained in the IPCHEM Data Policy¹.

3. Information about data access conditions

Please select an option between: *yes/no/not applicable* (for the table entries labelled as 'select an option').

Sample Owners may request that additional licensing conditions apply to their data, provided that such conditions do not conflict with the Open Data Principles of the European Commission. In such cases, the licensing conditions or a reference thereto will be displayed in the metadata section of IPCHEM. The metadata template to fill in will be provided by the JRC following receipt of this signed and completed form.

Please provide details:

By signing this form the Sample Owner agrees to make the data accessible through the IPCHEM platform and accepts the IPCHEM Data Policy.
