

AGENDA

14:00-16:30 - *What EU should do for protecting soil biodiversity?*

14:10 – Soil biodiversity and EU environmental policies: ***Mirco Barbero, DG ENV***

14:20 – Soil biodiversity and CAP: ***Olivier Diana, DG AGRI***

14:30 – Soil biodiversity and private sector: ***Matteo Piombino, Corteva Agriscience***

14:40 – Soil biodiversity and farming: ***Alfred Grand, Farmer***

14:50 – How to tell soil biodiversity: ***Rolf Sommer, WWF***

15:00 – Soil biodiversity and IUCN Red List: ***Sarine Barsoumian, IUCN***

15:10 – Global Fungal Red List Initiative: ***Anders Dahlberg, Swedish University of Agricultural Sciences***

15:20 – Soil biodiversity monitoring in France: ***Antonio Bispo, INRAE***

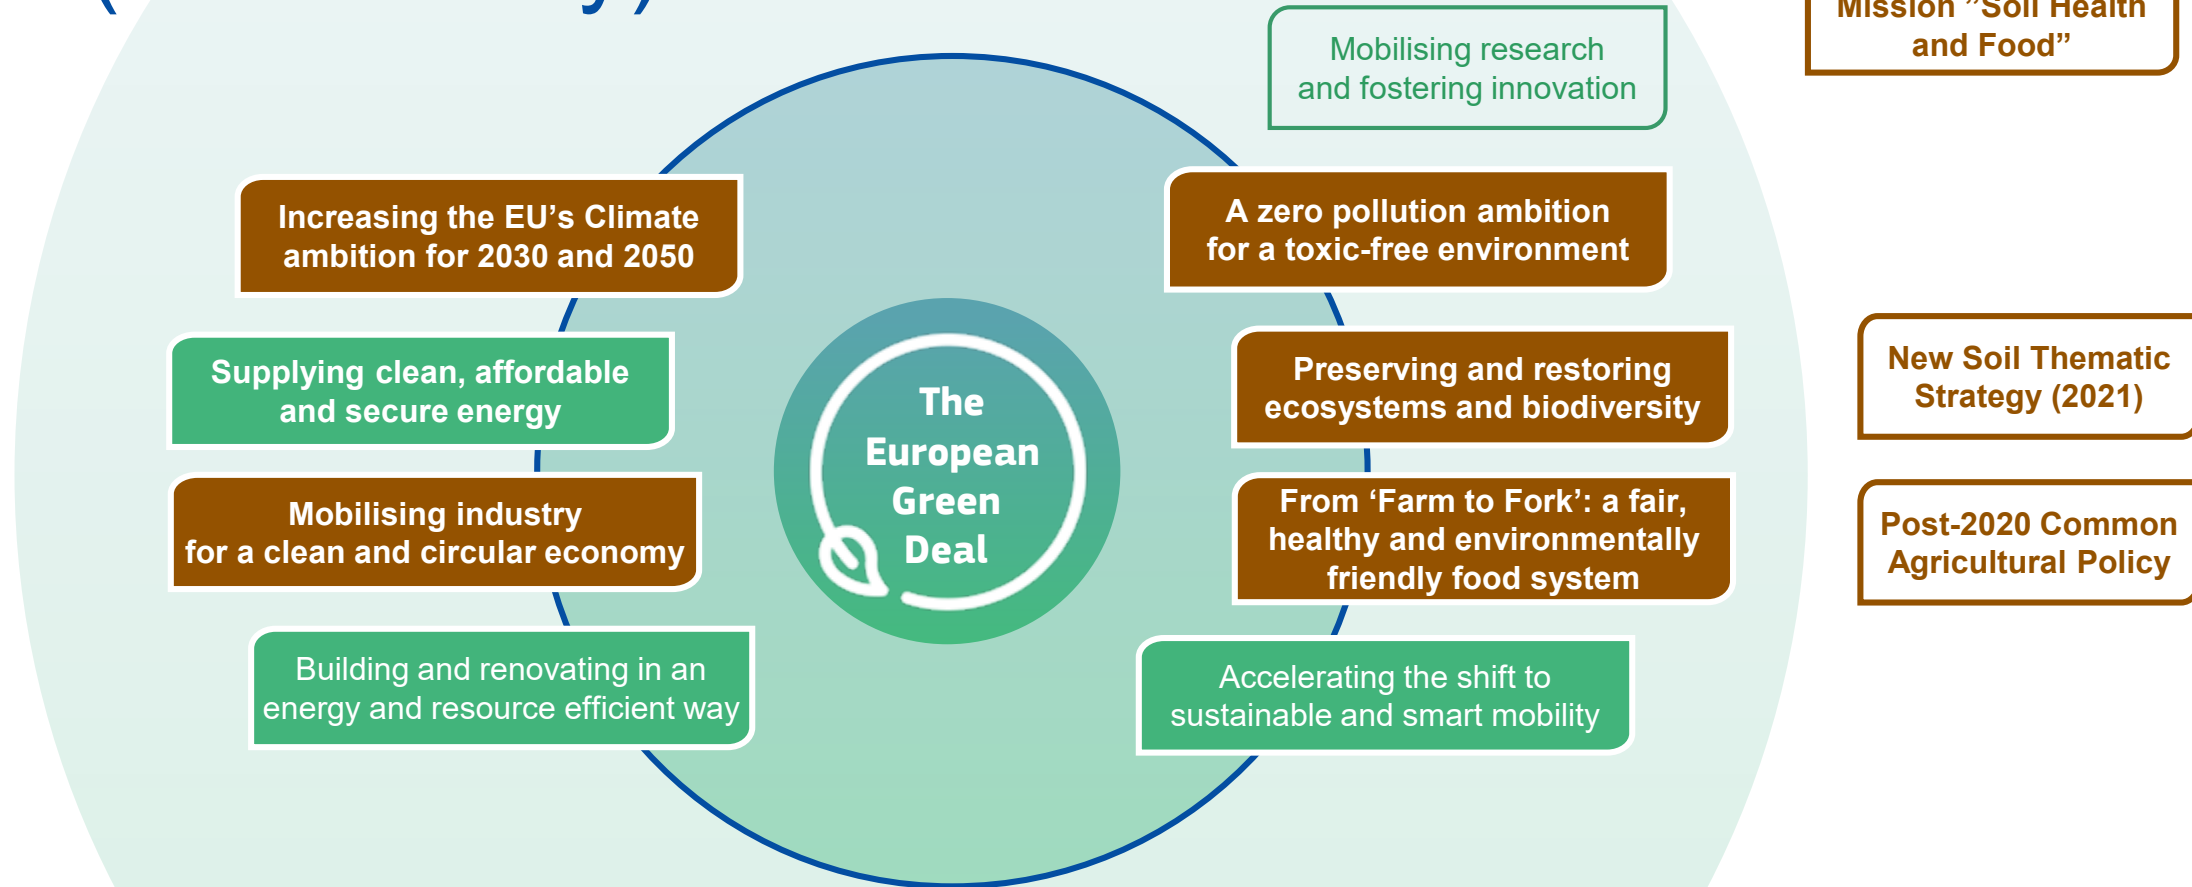

15:30 – Global monitoring of soil biodiversity: ***Carlos Guerra, iDiv & SoilBON***

15:40 – Questions from audience & discussion **slido** #EUSO

Soil (biodiversity) & policy...

Soil (biodiversity) momentum...

...should not be lost!

Soil (biodiversity) momentum...

- Global Soil Biodiversity Observatory
- Convention on Biological Diversity and European Parliament
- Coordinated by FAO

Objectives of this session

- Establishment of EUSO Soil Biodiversity Technical Working Group
- Leadership (possibly shared)
- Regular meetings (1/2 per year)
- Want to join? Get in touch: alberto.orgiazzi@ec.europa.eu
- Concrete products - report(s) and/or policy brief(s)

What EUSO Soil Biodiversity Technical Working Group will do?

Question1

What is soil biodiversity? *A clear definition for policy*

Question 2

How is soil biodiversity doing? *Names of endangered species (monitoring)*

Question3

Are we protecting soil biodiversity? *Soil biodiversity indicator(s)*

Thank you

Keep in touch
