

Workshop opening

10 years LPIS QA Workshop, Varese, 13/03/2019

Focus of the Workshop

The recurrent quality TESTING has three subtasks:

1. Inspection (i.e. the ETS Annex I and II)
2. Assessment (i.e. the scoreboard / AR)
3. Evaluation (i.e. the 1st and 4th column of remedial action plan)

This workshop deals with all three subtasks, but introduces the evaluation methods to select appropriate remedial actions
