

# Powertrain Technology Transition Market Agent Model

## PRIVACY STATEMENT

### 1. What personal information do we collect and for what purpose?

The personal data collected from the application form to request access to PTTMAM and further processed are: e-mail address, name, country, organisation, field of work/study and intended use of the model.

The purpose of the processing of personal data is the reception of a copy of the JRC owned model known as PTTMAM.

### 2. Who has access to your information and to whom is it disclosed?

The access to all personal data is only granted through the e-mail address [JRC-LDVS-CO2@ec.europa.eu](mailto:JRC-LDVS-CO2@ec.europa.eu), managed by an EC technical officer. The data are solely collected and further processed for the specific purposes laid down in this privacy statement and will not be used for any other purpose. The data will not be shared with third parties for direct marketing.

### 3. How do we protect and safeguard your information?

The PTTMAM website and the collected personal data is stored on a secure web server hosted by an Internet Service Provider. Your personal information will never be published on the PTTMAM website or made available to third parties in any other way.

### 4. How can you verify, modify or delete your information?

If you would like to verify which personal data is stored on your behalf or wish to delete it, please write an e-mail message to [JRC-LDVS-CO2@ec.europa.eu](mailto:JRC-LDVS-CO2@ec.europa.eu), by explicitly specifying your request. Special attention is drawn to the consequences of a delete request, in which case any trace to be able to contact you (e.g. in case upgraded versions of PTTMAM are released) will be lost.

### 5. How long do we keep your data?

Data is entered from the application form and kept during the lifetime of the project that supports the maintenance and further development of PTTMAM.

### 6. Contact Information

If you have questions related to this Privacy Statement or concerning any information processed in the context of accessing PTTMAM, or on your rights, feel free to contact the support team: [JRC-LDVS-CO2@ec.europa.eu](mailto:JRC-LDVS-CO2@ec.europa.eu).
